

» TU DORTMUND UNIVERSITY

A UNIQUE PROFILE

- Founded in 1968, when coal and steel were defining the Ruhr area: since then a motor for the transition of the city and the whole region
- Encompassing 17 departments ranging from science and engineering to social sciences and cultural studies
- Home to 32,500 students and 4,200 professors and staff
- An interdisciplinary approach to teaching, studying and doing research

INTERNATIONAL

At TU Dortmund University we live a global mindset.

- 13% of all students are international – coming to TU Dortmund University from 110 nations
- Active exchange with 55+ countries around the globe
- Each academic year:
 - › 560+ TU-students gain unique experiences while studying or doing an internship abroad
 - › In return, 230+ students from outside Germany take the opportunity to live and learn on exchange at TU Dortmund University

- Well established exchange programs work hand in hand with new innovative formats
- Diverse bilateral and multilateral research projects make relevant contributions to today's and tomorrow's global challenges
- Being international on campus means:
 - › enjoying exciting intercultural events
 - › discovering a wide spectrum of international music, arts and food
 - › sharing experiences in intercultural trainings

» WHY TU DORTMUND UNIVERSITY?

- Ever heard of mobile robots? And what's so funny about sitcoms? Choose from a large variety of interdisciplinary courses!
- Ever tried underwater rugby before? Get sweaty in 75+ different sport programs.
- Getting hungry? Sit down and enjoy freshly cooked meals in one of our cafeterias. Look out for many vegetarian and vegan options.
- Need fresh air between classes? Grab a hot coffee and look for a nice spot on the green campus. You might even find a slackline to get rid of some extra energy.
- Are you afraid of heights? Take the elevator in the Math tower and enjoy the great view. The big spider with yellow legs in the distance is the biggest soccer stadium in Germany: home of Borussia Dortmund.
- In need of some speed? Take the monorail, sit down and float above the trees between both university campuses.
- Ever tried dishes from 15+ countries in one night? Join intercultural events – eat, drink, dance and have fun!
- Afraid that studying abroad is not affordable? No need for that! Living costs in Dortmund are moderate and will leave you enough money to go on some adventurous trips while studying here.
- Come stai? Nasıl sin? Learn a new language in one of numerous free language classes!

» SERVICES AT TU DORTMUND UNIVERSITY

TU Dortmund University offers its members a wide range of services that make living, studying and working together as a community particularly valuable.

COUNSELING

- Various counseling services support TU members with problems and provide support in everyday university life.
- The psychological counseling team, for example, strives to provide support in developing coping strategies in difficult life situations and in expanding study-related competencies.

FAMILY SERVICE

- Finding a balance between studies, academia, career and family life can be very challenging for (future) parents and for family caregivers in many ways.
- The Family Service helps to create good framework conditions that make it easier to combine work and study with family responsibilities.

SUSTAINABILITY OFFICE

- The Sustainability Office supports the implementation of transparent sustainability communication as well as the initiation and implementation of sustainable projects at TU Dortmund University and beyond the campus.

DISABILITY AND STUDIES (DoBuS)

- The division Disability and Studies offers information and services regarding accessibility as well as study conditions with equal opportunities for students with disabilities and chronic illnesses.
- Depending on the individual impairment, requirements in the study program and individual life situation, this division develops assistance for all individuals.

» ...AND WHY DORTMUND?
